and other community engagement programs

415 volunteers
(half high school
students)

The Worker Center facilitated
jobs for **600** workers with
over **1,400** employers

Assistance in applying for U.S. citizenship or DACA
status provided to **132** people

Neighbors Link Center in Ossining is **OPEN!**

Neighbors Link has been working closely with a group of over 30 stakeholders in Ossining to explore opportunities to further strengthen community ties while also supporting the healthy integration of immigrants. We began providing Workforce Development and Parent Education programs at locations around Ossining in 2016. **On April 9, 2018, Neighbors Link officially opened its doors at 23-25 Spring Street in Ossining!**

Family Center
programs in
Ossining include
Parent Education,
Pipeline Scholars
and Parent-Child
Together classes

ESL, Workforce Development and Legal Services offered in Ossining

Advocating for what is RIGHT

The **Immigration Protection Act** passed the Westchester County Legislature with bipartisan support and was signed into law by County Executive George Latimer on March 20, 2018! This bill provides vital tools for county law enforcement to build trust with immigrant communities and is fully compliant with federal law. Throughout 2017, Neighbors Link worked closely with a consortium of 20 advocacy organizations, as well as many legislators, especially the sponsor of the bill, Legislator Catherine Borgia, to make the passing of this bill possible.

Neighbors Link families and staff **marched in Washington D.C.** to support a Clean Dream Act and to protect Temporary Protected Status (TPS)

Protect Families

Neighbors Link joined the New York Immigration Coalition in organizing a rally where tens of thousands of New Yorkers marched in opposition to recent policy shifts that separated and detained children and families fleeing violence and persecution.

Legal services **EXPAND** to meet the need

The national crisis in immigration policy has had a dramatic impact in Westchester County. As a result of new enforcement policies, immigrant families face the threat of detention and deportation without any prior notice. Families live in fear of the very real possibility of parents being deported while children are left behind in the care of others.

Neighbors Link Community Law Practice is working to meet the skyrocketing legal needs of the immigrant population in Westchester County by representing clients in a variety of highly complex legal immigration matters. In addition to maintaining already open and pending cases and continuing to offer consultations and screenings, changing policies have meant added pressure and responsibility for our attorneys as they work to help those facing traumatic changes and uncertainties.

In 2017, Neighbors Link Community Law Practice handled 188 complex legal cases. Types of cases include asylum and cancellation of removal applications, family based petitions, Special Immigrant Juvenile Status, DACA, work authorization, U-Visa, Green Card and naturalization applications.

Karin Anderson
Ponzer, Esq., PhD,
Director of Neighbors
Link Community Law
Practice, has become
an important and
trusted voice in local
media in understanding
immigration policy.

LEARNING LINKS and SUMMER LINKS

In the 2017-2018 school year and summer, 155 elementary school students were enrolled in Learning Links and Summer Links, our programs that focus on supporting the academic, social, and emotional well-being of children who have risk factors that threaten their school success. Many new programs and enrichment activities were added in 2017, including a **student talent show**, **math competition**, **spelling bee**, and **music enrichment program**.

First group of Pipeline Scholars GRADUATE

In 2009, Neighbors Link and the Bedford Central School District launched the Pipeline Scholars program to support parents and their children as they advance from fifth grade through high school graduation and beyond. **In June 2017, the first cohort of Pipeline Scholars graduated from Fox Lane High School!**

Expansion!

A new cohort of Pipeline Scholars has started in Ossining and these students and their families have joined the Mount Kisco group on several programs including a family hike.
