OVER 600 IMMIGRATION POLICY AND LAW CHANGES IN 2025

BIA PRECEDENT DECISIONS

- Number of precedential cases increased 236%
- Cases narrowed asylum, bond eligibility and protections from removal proceedings

Over 60 BIA Cases in 2025 up from just 14 in 2024

Changes to Immigration Case Law

IMMIGRATION COURT

- Terminated ~100 immigration judges
- Began courthouse arrests at Immigration Courts
- Rescinded prosecutorial discretion
- Policy changes allowing judges to reject ("pretermit") asylum cases without holding a hearing

44 policy changes to the Executive Office of Immigration Review

Changes to Immigration Court

TERMINATION OF STATUS

- TPS revoked for 9 countries resulting in multiple federal lawsuits
- Terminates of parole programs including parole for Cuba, Nicaragua, Venezuela and Haiti

1.5 million people lost status and work authorization

Changes to Temporary Protected Status and Parole

INCREASED ICE ENFORCEMENT

- Rescinded the Sensitive Location Policy
- Expanded expedited removal, deporting people with a hearing
- Increased workplace raids
- Increased arrests, detentions and deportations

ICE budget increased to \$85 billion from \$10 billion in years passed

Changes to Immigration Enforcement

RESTRICTIONS ON IMMIGRATION BENEFITS

- Increased scrutiny for applicants, including social media review
- Increased fees associated with immigration applications and removed many fee waivers for indigent applicants
- Removed the ability to pay for fees with checks and money orders
- Enforced "Alien Registration" requirement
- Made naturalization process more rigorous
- Deputized USCIS as an enforcement agency

Naturalization civic exam requires double the correct answers from 6 to 12

Changes to Legal Immigration
