First-Half (Jan - June) Unique Clients Served, 2023–2026

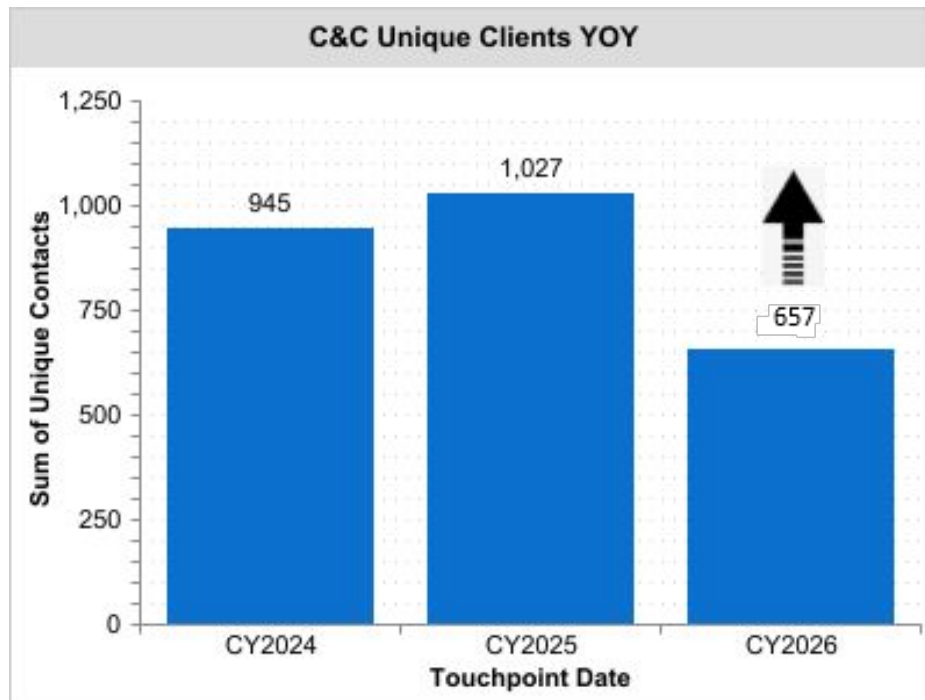

Note: Figures in this chart have been restated to reflect updated data received after the original reporting period. Delays in 2026 data entry may result in adjustments to previously published values.

In the first half of the year (H1) of 2026 (January 1st - June 30th 2026),

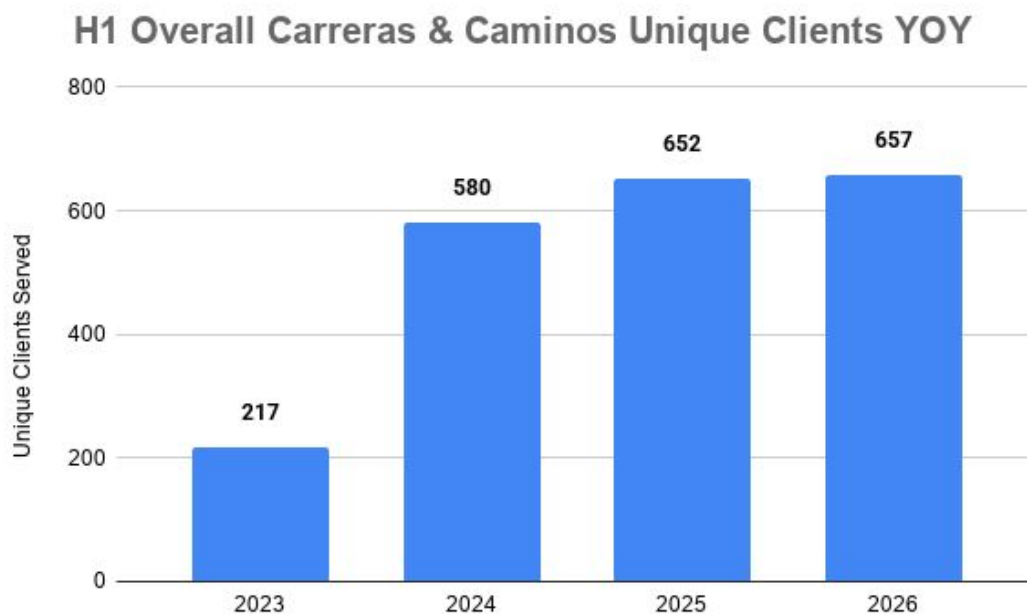

- We served 6,352 unique clients, which represents 63% of our goal last year.
- We have overall increased around 2% compared to H1 2024 and increased 10% compared to H1 2025 .

At a time when heightened national immigration enforcement continues to create profound uncertainty for immigrant families, Neighbors Link remains an essential, trusted anchor. These numbers demonstrate that despite national trends, community members continue to turn to Neighbors Link to build stable, empowered, and self-sufficient futures.
